

Tanishq Chouhan – Full Stack Developer

Email : Tanishq485@gmail.com | Mobile : 8103942742 | City : Indore | Country : India

Links : [Github](#) | [PortFolio](#) | [Linkedin](#)

Technical Skills & Soft Skills :

Development Stack:

MongoDB · Express.js · React.js · Node.js · Next.js.

Development Tools:

VS Code · Git · GitHub · Clerk · MongoDB Atlas · Postman · Pinecone · Stripe · Razorpay · NeonDB

Programming Languages:

JavaScript (ES6+) · TypeScript · Python · Java · HTML5 · CSS3 · SCSS · TailwindCSS · SQL · MySQL · PostgreSQL

Soft Skills:

Prompt Engineering · AI Integration · Documentation Writing · Workflow Automation (n8n) · Problem Solving · Collaboration · Continuous Learning

Major Projects :

[StudyMate](#) — EdTech Marketplace Platform

- Built a cost-effective, full-stack marketplace for coaching institutes to manage courses and payments.
- Integrated **Google OAuth** for authentication, **Razorpay** for secure transactions, and **Cloudinary** for image storage.
- Implemented with **Next.js**, **TypeScript**, **MongoDB**, and **Nodemailer** for automated email communication.

[CodeArc](#) — AI-Powered Snippet Manager

- Developed a centralized productivity tool with an integrated code editor, converter, and documentation generator.
- Built using **React**, **Node.js**, **Express**, and **MongoDB**; integrated **Gemini API** for AI-driven code suggestions.
- Deployed on **Vercel**, improving developer workflow efficiency and documentation automation.

[Securo](#) — Privacy & Security Web Application

- Designed and deployed a privacy-focused platform with breach history, AI-based vulnerability analysis, and secure vault storage.
- Implemented **temporary mail**, **repository scanning**, and data-encryption modules for enhanced security.
- Built using **MERN Stack** and integrated third-party APIs for real-time security insights.

Education :

B.Tech – Computer Science & Engineering

Institute of Engineering & Science, IPS Academy, Indore

CGPA: **9.09** | 2022 – Present

Higher Secondary (XII) – Saint Giri Sr. Secondary School, Indore

Score: **85%** | 2020 – 2021

High School (X) – Saint Giri Sr. Secondary School, Indore

Score: **86%** | 2018 – 2019

Achievements & Certificates :

Udaan Hackathon Winner · Hackmivo Top 15 · Innothon 2.0 & HackWave 2.0 Participant · MERN Stack Development (Sheryians) · Web Development Bootcamp · AWS Machine Learning · Additional certificates available [Achievements](#) and [Certificates](#) .
